**DESCRIPTION OF VEHICLE**

**1932 Ford 5-Window Coupe.** Freshly built 1932 Ford 5 Window Coupe. The chassis has been pinched and bobbed in the front; to fit the contours of the body better, with coilover shocks mounted to a 5"dropped Super-Bell axle and a custom four bar which is all chrome. The rear features a triangulated four bar with coilovers suspending an 8" Ford rear end with 3.00:1 ratio gears. The body has been smoothed from top to bottom with attention paid to alignment of gaps and panels. It is a fiberglass body that has a 3 1/2" chop, hidden door hinges with bear claw latches operated by remote control, a rolled rear pan with custom made exhaust tips complimenting the flush mounted tail lights, which finishes out the rear. It is painted with DuPont Viper Red basecoat/clearcoat, and is as nice on the bottom as it is on the top side. The grill shell has been thinned one inch and has a nice and tight fitting stainless steel grille. The interior features a Flaming River column, custom center console with A/C and heater controls, custom built bench seat and a cd player make the ride even more enjoyable. It has Billet Specialties wheels, 18's up front and 20's in the rear.
